

Product Code . SEL-PLE-10125

Deluxe Trundle Wheel with Counter

Description

Deluxe Trundle Wheel with Counter

Deluxe Trundle Wheel With Counter makes long distances easy to measure. By rolling the wheel along the distance you want to measure is noted on the counter. It has a metered counter that measures up to 99,999 meters, a telescoping handle for comfort, a built-in stand which folds in, a rubber wheel trim for accuracy, and a convenient carrying/storage case. The counter measures in meters. Just roll the wheel along the ground to measure linear distance.

Features:-

- Handle elongated 31.5" (800 mm) L, pushed in for storage 19" (480 mm) L.
- Strong plastic spoke wheel 12.25" Dia. (320 mm).
