

Product Code . SEL-EELE-11194

Basic Home Network Trainer

Description

Basic Home Network Trainer

Features:-

- Keypad Programming Practice.
- Thermometer Programming Practice.
- Text LCD Programming Practice.
- EEPROM Programming Practice.
- Digital Display Programming Practice.
- Digital Input Programming Practice.
- Analog Input Programming Practice.
- Relay Control Programming Practice.

-
- RX/TX Programming Practice.

We are leading manufacturers, suppliers of Basic Home Network Trainer for Electronics Engineering Lab Equipments. Contact us to get high quality Basic Home Network Trainer for Electronics Engineering Lab Equipments for schools, colleges, universities, research labs, laboratories and various industries.
