

Product Code . SEL-EELE-11207

Dead-Weight Piston Gauge

Description

Dead-Weight Piston Gauge

Manometer with transparent scale. Bourdon tube pressure gauge as manometer. Manufactured from corrosion resistant materials. Medium for transmitting pressure: hydraulic. Set of weights. Components arranged on base plate 400 x 400 mm.

We are leading manufacturers, suppliers of Dead-Weight Piston Gauge for Electronics Engineering Lab Equipments. Contact us to get high quality Dead-Weight Piston Gauge for Electronics Engineering Lab Equipments for schools, colleges, universities, research labs, laboratories and various industries.
